CDCR's Operation Boo Offers Ride-alongs to Sex-Offender's Homes

Compliance checks to be conducted on Halloween Night

- What:** The California Department of Corrections and Rehabilitation (CDCR) will conduct the 20th Annual Operation Boo compliance checks. This year's Halloween child safety project will once again feature a parent educational component and visits to sex-offender transient curfew centers (where available) in addition to its compliance checks and media ride-alongs.
- Who:** CDCR's Parole Agents and GPS enforcement teams, and local County and City Law Enforcement Partners
- When:** Ride-alongs Thursday, October 31, 2013 4pm – 10 pm
Media Ride-alongs will be conducted which include visits to the transient sex-offender curfew centers (where available). Due to the high number of sex-offenders statewide who are transients, special curfew centers will be open in some communities. In those areas, transient sex-offenders are required to abide by their curfew in special locations. In communities where available, the centers will be a part of the media ride-along.
- Parents' and Guardians' Educational Component October 23-31, 2013; separate press release forthcoming
